**Dear Leader,**

Thank you for your interest in inviting Pastor. Shyju Mathew and the Revive Nations Team to minister at your event. Our passion is to see God revive His children and draw souls to Jesus. We believe in the operation of the gifts of the Spirit for the edification and building up of the Church, and the glory of Jesus. Find more about what we believe on [www.revivenations.org](http://www.revivenations.org)

We request you to kindly be aware of these several requirements when hosting Revive Nations(RN).

Before we are able to consider the invitation we need to know your heart and vision for the conference/crusade. Kindly use the form on the invite page to give us a detailed plan and strategy on how you plan to promote this event, raise funds for this event, how you plan to collaborate with pastors, and how you intend to make the conference/crusade a success. It would be helpful if you could email us any pictures/video of previous crusades you have held.

Our hope is not be burdensome in any way, and we will do all we can to be a blessing to you. Thank you in advance for your understanding!

Sincerely,

**Revive Nations Team**

**Flights & Transportation** - We ask that the host cover all flight and visa expenses. We are now based in Montreal, Canada. We ask that you please cover fuel costs when applicable. Our administrative staff will be able to give an approximate amount for this expense.

**Accommodation** - A double room for the minister and his family is required at a nearby hotel. Please ensure the hotel is clean, of a good standard, and has Internet access. If a ministry team is travelling with Pastor. Shyju Mathew, they may need additional accommodation, which can also be in a Church member's home. Our administrative staff will be able to provide more details in the event that this is needed.

**Meals** - Please provide meals for the minister, his family and the team during the duration of their stay. May we suggest that meal arrangements be made within the hotel for easy accessibility before and after each event.

**Promotion of Event** - All promotional images, profiles, and bios concerning Pastor. Shyju Mathew must be pre-approved by Revive Nations. Kindly email them to us and wait for our response before you make your designs public. We ask that no other images or profiles be used or publicized except those approved and supplied by RN. This includes use of photographs and all verbiage used in any resources and/or advertisements pertaining to the event. If you require any assistance with graphic designing, kindly let us know in advance.

**Event Requirements** - When possible, please provide the minister with a wireless hand held microphone. Kindly help us setup our own head-mic and digital recorder. Please also ensure that there is bottled water available before and after services. Our team would also like to meet with intercessors, and ushers prior to the meeting.

**Video / Media** - Please inform RN Events Coordinator if the meetings are recorded and/or live streamed and for what purpose the recording will be used. Kindly refrain from publishing the videos without prior information. We may also have our own team covering the event when applicable.

**Product and Sales** - Please provide at least one staff member from the church to help assist in the sale of any product that is provided by RN. This includes, and may not be limited to: the set-up of a product table.

**Honorarium** - It is our desire not to ask the host for a gift/fee in particular for Pastor Shyju Mathew; we welcome the host to be led by the Lord in sowing into the harvest. This can be paid in cash or check. When relevant, kindly help us collect an offering towards Revive Nations for the upcoming Revive Conferences. Any details required can be given upon request.

**Other Requirements** - Kindly avoid any house visits or appointments during the days of the event. Please keep our staff updated regarding your event planning developments.

**Note:** Please understand that at this time we are not able to accept invitations for: retreats, small groups or church camps. We apologize for this, but we must ensure that we are maximizing our time and the number of people we are able to reach and accommodate in these meetings.

**Important:** Kindly wait for our event confirmation mail before you announce or book the tickets. Revive Nations is not liable for any cancellation expenses due to unforeseen circumstances or lack of coherence to the above policy by the host.

If you have any additional questions, please e-mail our Event Coordinator: Pastor Priji at [invite@revivenations.org](mailto:invite@revivenations.org)
